NEDB Day 2025

NEDS

Welcome to the homepage of the
New England Database Society
sponsored by HP Vertica

Welcome to the homepage of the New England Database Society, founded in October 2001. We meet of every month at Brandeis University. The tentative meeting schedule is as follows:

3:00-4 PM Refreshments (wine and cheese) served, Volen 104 (Vertica/HP Lounge).

4-5:30 PM Talk by invited speaker and discussion (also in Volen 104 unless the group is too large).

6-? PM Informal dinner at a local restaurant for those who are interested, after some of the meetings.

A map of [*the direction to the Brandeis*](#) campus and an interactive map can be found [*here*](#). The talks take place at the Volen National Center for Complex System, in the Vertica/HP lounge (Volen 104).

[May 3, 2013](#): Christoph Koch (EPFL, École Polytechnique Fédérale de Lausanne)

What compilers can do for databases: Abstraction without regret in data management systems revisited

[May 17, 2013](#): Gustavo Alonso (ETH Zurich, Swiss Federal Institute of Technology in Zurich)
